Who We Are	<p>ESPRIT ÉDUCATIF is a recognized training and educational Institute located in the heart of Paris, France. Nestled in the vibrant cityscape along the Seine and in close proximity to the metropolitan city's major iconic monuments, serving as a preferred destination for those seeking an enriching experience with Esprit Éducatif.</p> <p>Among the main missions of Esprit Éducatif is that of promote the personal and professional development of citizens, ensuring inclusive and high-quality education and training, as well as informal and non-formal learning, promoting qualifications and skills necessary for active participation in democratic society, operating within the framework of the Erasmus Plus and Interreg Euro MED programmes</p> <p>Esprit Éducatif serves as a European Projects Provider. Through the unwavering dedication of all our members, we actively promote intercultural exchanges and work towards enhancing the educational and vocational systems through a diverse range of activities.</p> <p>Thanks to a professional staff, Esprit Éducatif develops, coordinates and collaborates on projects related to the Erasmus Plus programme, through Key Actions K1, K2 and K3 of the program through which it is possible to spend training periods abroad in one of the member countries of the European Union, to develop strategic partnerships and political cooperation.</p> <p>Esprit Éducatif is engaged in mediterranean cooperation framework programmes with the main EU development programme, Interreg MED. In conformance with the aim of this programme Esprit Éducatif develops, manages and supports its axis of priority: green and blue growth, energy efficiency in human activities, sustainable tourism, ecosystems and biodiversity safe guard and preservation.</p> <p>Esprit Éducatif thrives on the active involvement of an extensive international network of organizations. Over the years, the members of Esprit Éducatif has garnered substantial experience as a coordinator and partner for numerous european training institutions, higher education establishments, public institutions, as well as small and large enterprises. This international support enhances the breadth and depth of our activities, providing valuable opportunities for collaboration and diverse learning experiences.</p> <p>Esprit Éducatif ensures a holistic experience for each of our programs. We</p>
-------------------	---

	<p>offering continuous participants support, and implementing regular monitoring and tutoring. Additionally, we take pride in organizing a variety of social and cultural activities to enhance the overall experience.</p>
Our Mission	<p>Our mission is to provide to our participants all skills, cultural resources, mindsets in order to build themselves their professional path. Following this target we develop and manage different European projects collaborating with public/private institutions like schools, companies, little craftsmanship companies , local institutions, involving stakeholders in Erasmus+ Programme and Interreg Euro MED Programme frameworks</p>
What We Do	<p>Esprit Éducatif as a NGO organization present itself to improve educational and professional European ecosystem through a wide and various range of activities in order to give strength European citizenship consciousness and the dimension of the Union.</p> <p>Esprit Éducatif promotes its activities within (but not only) the job frames of EU programmes Erasmus+ and Interreg Euro MED. Our projects are developed among various partnerships, with local/regional/national institutions, schools and universities, research centers, private entities, companies, NGOs, training centers, various consultants and more.</p> <p>Esprit Éducatif is nice to offer a wide variety of activities addressing an age range from 10 years old children to adults.
